MACSTEEL

REDUCING BUSHES

BSP Threaded 150lb Stainless Steel Fittings 316.

Reducing bushes are used to adapt the bore size, increasing the offering of diameters available. The larger diameter is male and the smaller diameter is female.

Sizes available:

| Male Diameter mm | 8 | 10 | 15 | 20 | 20 | 25 | 32 | 40 | 50 | 65 | 80 |
